

SP&R Internship Program:

Experience Public Opinion & Political Research Polling in Action

Susquehanna Polling & Research (SP&R) is a full-service survey research and political polling firm specializing in scientific telephone and web-based surveys for candidates for public office as well as corporate clients including trade associations, public relations firms and the media. SP&R has conducted polls most notably in Pennsylvania, New Jersey, Maryland, Delaware, Florida, and New York and is expanding its list of states daily. The firm now includes a team of full-time associates with 50 years of combined polling experience, 40 professionally-trained survey research interviewers and a group of political consultants. SP&R conducts all its polling in-house.
