

Dear Friends, Supporters and Clients –

The research team at SP&R would like to extend a special invitation to join us for an important Zoom Telephone Conference Call where we will review SP&R's exclusive Presidential polling conducted by our firm in key battleground states in recent weeks (PA, WI, AZ, NC, FL), and give predictions on the outcome of the 2020 POTUS election. A special focus of the call will be how current polling in key battleground states compares to 2016 at this same time in the election cycle when many other pollsters predicted an election victory for Democratic nominee Hillary Clinton.

The Zoom meeting will be held Thursday, October 29, from 3PM-4PM EST. This invitation is reserved exclusively for SP&R friends, followers and clients. **Although there is no charge to attend, SP&R President & CEO Jim Lee is respectfully requesting that attendees agree to make a charitable contribution to the "Janine Lee Memorial Scholarship Foundation at UNLV"**, created in memory of Jim's beloved younger sister who died tragically at the age of forty six after graduating from UNLV Law School in Las Vegas, Nevada. Donations in the \$100.00 - \$500.00 range are welcome; additional details will be shared prior to the call.

To register for this exclusive Zoom telephone call, please email Brian Hand at brian@susquehannapolling.com. Thank you for your attention.

Jim Lee, President
Susquehanna Polling and Research, Inc.
